

# Programming Loops in Splunk

# Splunxter Greetings!

Gregg Woodcock

**President of Splunxter**

We do the crazy things that  
other people say are  
impossible and are too afraid  
to even try!

**Woodcock@Splunxter.com**

# Buckle your seat belts and hold on tightly!

Insert too-many-tabs  
demo here

splunk<sup>®</sup>>

That's all folks!
